Airport Firefighter

Job Posting

Applications are currently being accepted by Pro-Tec Fire Services at the Mojave Air and Space Port Fire Department in Mojave, CA for current and future openings. Current pay is \$24.72 per hour and benefits package is offered.

Job Summary: Under the direction of the Fire Chief, the position of Firefighter is responsible for the safe and acceptable performance of all firefighting functions, emergency medical first aid, assist and participate in all firefighting, lifesaving, and security activities at the airport and its facilities, and to do related work as required. The Firefighter, as a crew member, will follow the leadership of the department in all the orders and written policies and procedures and all other written orders.

Essential Functions:

- The Firefighter maintains a high standard of safety and work performance in the execution of their duties. This will include maintaining safe work practices and compliance with company, airport and governmental agency policies, rules, standards, and regulations, communicating any deficiencies and recommendations for correction to the Fire Chief.
- Working in Alarm Room answering emergency and routine daily calls, monitoring Fire Alarm Systems, alerting crews when emergency calls are received, dispatching crews and equipment to emergency and non-emergency calls.
- Complete all assigned daily duties as directed by the Fire Chief.
- Driver Operator of ARFF apparatus as a Firefighter.

Knowledge, Skills, and Abilities:

- Ability to communicate effectively to individuals and groups using good oral, written, and listening skills.
- Ability to carry out oral and written directions.
- Ability to prepare reports on the handling of routine or emergency duties.
- Ability to exercise sound judgment in determining the appropriate action to be taken relating to job responsibilities.
- Ability to maintain cooperative working relationships with those contacted in the performance of duties, to include all airport co-employees.
- Must demonstrate good character appropriate to the requirements of the job.
- Must present an appearance consistent with other employee appearance standards or as determined by the Airport Director.

Other Duties and Responsibilities:
