Airport Firefighter/EMT

Job Posting

Applications are currently being accepted by Pro-Tec Fire Services at Des Moines International Airport Fire Department in Des Moines, IA for two (2) full-time openings for Airport Firefighter/EMT. Competitive pay and benefits package is offered.

Pro-Tec Fire Services, Ltd. has been the leader in Contracted Aircraft Rescue and Firefighting (ARFF) since 1974.

Job Summary: Under the direction of the Fire Chief, this position of Firefighter/EMT is responsible for the safe and acceptable performance of all firefighting functions, emergency medical first aid, assist and participate in all firefighting, lifesaving, and security activities at the airport and its facilities, and to do related work as required. The firefighter, as a crew member, will follow the leadership of the department in all the orders and written policies and procedures and all other written orders.

Essential Functions:

- The firefighter maintains a high standard of safety and work performance in the execution of their duties. This will include maintaining safe work practices and compliance with company, client, airport, and government agency policies, rules, standards and regulations, communication any deficiencies and recommendations for correction to the Fire Chief.
- Complete all assigned daily duties as directed by the Shift Captain/Fire Chief.
- Driver Operator of ARFF apparatus as a Firefighter.
- Performs other duties and responsibilities as assigned by the Shift Captain/Fire Chief, as the scope of the client services requires or broadens.

Knowledge, Skills, and Abilities:

- Ability to communicate effectively to individuals and groups using good oral, written, and listening skills.
- Ability to carry out oral and written directions.
- Ability to prepare reports on the handling of routine or emergency duties.
- Ability to exercise sound judgment in determining the appropriate action to be taken relation to job responsibilities.
- Ability to maintain cooperative working relationships with those contacted in the performance of duties, to include all client and airport co-employees.
- Must demonstrate good character appropriate to the requirements of the job.
- Must present an appearance consistent with other employee appearance standards.

Education, Qualifications, and Experience Necessary:

- Minimum Firefighter I Certification for an accredited agency.
- Firefighter II Certification preferred or obtained within one year of employment.
- Minimum of 2 years firefighting experience.
- Minimum of 2 or more years of Aircraft Rescue Fire Fighting experience.
- Hazardous Materials Operations (Preferred)
- NIMS 100, 200, 700, and 800b (Preferred)
- Must be EMR certified (EMT Preferred) and maintain while employed.
- Know and understand fire suppression, prevention, and combat (tactical) techniques as it applies to aircraft.
- Valid state driver's license throughout the employee's term of employment.
- High school graduate or equivalent.
- Must be able to speak and understand English fluently (verbal and written).
- Must be at least eighteen (18) years of age.

- Must be a U.S. Citizen.

Benefits:

- 401(k) with company matching.
- Dental, Health, Vision, Life Insurance
- Flexible spending account
- Paid time off

Shift: 48/96

- Overtime availability

Salary: \$45,000 - \$50,000/year

Work Location: In person

- Des Moines, IA: Reliably commute or planning to relocate before starting work (Required)

All candidates must successfully pass a pre-employment and annual physical exam, drug test, and extensive background check. A valid driver's license in good standing is required at all times.

The specific statements shown in each section of this description are not intended to be all-inclusive. They represent the typical elements and criteria necessary to successfully perform the job. The company reserves the right to add, amend or revise the job description at any time.

Candidate must comply with Des Moines International Airport Fire Department Regulations and Procedures.
