# Airport Firefighter/EMT

Applications are currently being accepted by Pro-Tec Fire Services at Trenton Mercer Airport Fire Department in West Trenton, NJ for a current fulltime opening for Airport Firefighter/EMT. Competitive pay and benefits package is offered.

**Job Summary:** Under the direction of the Fire Chief, this position of Firefighter/EMT is responsible for the safe and acceptable performance of all firefighting functions, emergency medical first aid, lifesaving and security activities at the airport and its facilities, and to do related work as required. The Firefighter, as a crew member, will follow the leadership of the department in all the orders and written policies and procedures and all other written orders.

**Essential Functions**

- The Firefighter/EMT maintains a high standard of safety and work performance in the execution of their duties. This will include maintaining safe work practices and compliance with company, airport and governmental agency policies, rules, standards, and regulations, communicating any deficiencies and recommendations for correction to the Fire Chief.
- Complete all assigned daily duties as directed by the Shift Captain/Fire Chief.
- Driver Operator of ARFF apparatus as a Firefighter.

**Knowledge, Skills, and Abilities**

- Ability to communicate effectively to individuals and groups using good oral, written, and listening skills.
- Ability to carry out oral and written directions.
- Ability to prepare reports on the handling of routine or emergency duties.
- Ability to exercise sound judgment in determining the appropriate action to be taken relating to job responsibilities.
- Ability to maintain cooperative working relationships with those contacted in the performance of duties, to include all airport co-employees.
- Must demonstrate good character appropriate to the requirements of the job.
- Must present an appearance consistent with other employee appearance standards or as determined by the Airport Director.
- Performs other duties and responsibilities as assigned by the Shift Captain/Fire Chief, as the scope of the client services requires or broadens.

**Education, Qualifications, and Experience Necessary**

- Valid state driver's license throughout the employee's term of employment.
- High school graduate or equivalent.
- Must successfully complete a criminal background investigation and an employment history that meets the requirements of 49 CFR 1542.209.
- Minimum Firefighter I Certification from an accredited agency.
- Firefighter II Certification preferred or obtain within one year of employment.
- Must have EMT-B and CPR.
- Prefer Aircraft Rescue and Fire Fighting certification and/or experience.
- Must be able to speak and understand English (verbal and written)

*Required skills, knowledge, experience, or certifications must comply with the terms of the client agreement.*

**License/Certification:**

- Driver's License (Required)
- EMT-B/CPR (Required)
- Firefighter I Cert (IFSAC, ProBoard or DOD Certified) (Required)
- Hazardous Materials Operations (Required)
- NIMS 100, 200, 700 ,800 (Required)
- ARFF certification or Driver Operator of ARFF apparatus (Preferred)
- Pump I (Preferred)
- Firefighter II Cert (IFSAC, ProBoard or DOD Certified) (Preferred)

**Schedule:**

- The shift is 48/96 (scheduled OT).

**Job Type:**

- Full-time

**Salary:**

- $50,352.00 per year

**Benefits**

- 401(k) with company matching.
- Health, Dental, Life, Vision insurance
- Flexible spending account
- Paid time off.

*The specific statements shown in each section of this description are not intended to be all-inclusive. They represent the typical elements and criteria necessary to successfully perform the job. The company reserves the right to add, amend or revise the job description at any time.*

**Applications are being accepted until September 27, 2024.**
